

## Loving And Caring Is What We do in the comfort of your own home

### Senior HomeCare

Jamhuri Healthcare Services Inc, has been providing in-home care for more 10 years. As one of the first homecare agencies in Maryland, we were established to enable seniors and disabled adults to continue living in their homes by assisting in household management and by providing personal care. Our commitment remains unchanged: **To provide the highest level of in-home care.**

Our Homecare workers are local people whose skills are carefully matched to each client's needs. They complete an extensive training program and meet all state and federal requirements as prescribed by the Maryland Department of Health and mental Hygiene
